United Master Executive Council

Ladies and Gentlemen:

Please accept this letter as my Willingness to Serve as President of the United Master Executive Council.

As a former Local Council President and current United Master Executive Council President, I am uniquely qualified to address the challenges we face in merging our respective Memberships into a cohesive group and to capitalize on the opportunities this presents all of us.

Maximizing the collective accomplishment of our recently ratified agreement is my primary objective as, together, we strive to represent the interests of all of the Flight Attendants at United Airlines. There will be challenges we will be required to face as we work to implement this new Contract and I am prepared to dedicate the time and energy necessary in getting this accomplished. As one of the negotiators from our Joint Negotiating Committee, I will ensure my knowledge of the bargaining history will be used in serving the best interests of all Flight Attendants as we endeavor to ensure the priorities of the combined Membership are met.

Most importantly, as a Flight Attendant, I possess the knowledge, energy and professional drive to accomplish the work that needs to be done and the commitment to see this through to its conclusion. In accomplishing these goals, I ask for your support in my candidacy.

I look forward to seeing you in Washington, D. C. where I will gladly address any questions or concerns you may have regarding my candidacy.

In solidarity,

Ken Diaz
