Continental Micronesia Master Executive Council  
United Master Executive Council

Ladies and Gentlemen:

I write to make you are aware of my continued Willingness to Serve our Membership as the Secretary-Treasurer of the United Master Executive Council and ask for your consideration of my candidacy.

Having served the United Master Executive Council and our Membership for two terms as the Secretary-Treasurer and many years as a MEC Committee Member and Committee Chairperson, I am uniquely qualified to meet the demands of the position. Recognizing that our Union has invested considerable resources in educating and developing me to fulfill my representational responsibilities for the benefit of all of our Members, I am dedicated to ensuring a return on that investment through service – to you and our entire Membership.

In my capacity as your representative on the AFA Board of Directors Finance Committee, I have gained considerable perspective on the objectives of our Union to accomplish our collective goals and to benefit, not only our Members, but the Flight Attendant profession as a whole. As your AFA representative on the CWA Defense Fund Oversight Committee, I have a wide exposure to the issues affecting not only our profession, but the entire Labor community.

In my interaction with all United Flight Attendants, regardless of pre-merger subsidiary, I remain convinced we have more in common than we have differences. I welcome the promise that a unified tomorrow brings all of us and pledge my commitment to serving our entire Membership to accomplish the objectives and priorities our Members set.

I appreciate the work that is ahead of you as you consider the qualifications of the candidates who seek election and on whom you will rely to follow through on the direction set by the United Master Executive Council. I look forward to continue working with you as we come together to ensure the interests of our Members are advanced.

I will be attending the upcoming meeting in Washington, D.C. and welcome the opportunity to answers any questions or discuss any concerns you may have.

Respectfully submitted,

Jeffrey W. Heisey  
Council 7 - LHR
